

Stay compliant with the new Military Lending Act (MLA)

Key Benefits

Help ensure safe harbor compliance with the expanded MLA requirements effective October 3, 2016

Save time and resources with an automatic status check in ProMax prior to origination or closing

Ensure safe harbor and help avoid potential penalties or uncollectable loans associated with MLA non-compliance

ProMax and Equifax give you everything you need to comply with updated MLA Rules

ProMax offers you a turn-key solution that checks your buyer's MLA Covered Borrower Status from the Department of Defense's database and at the same time pulls an Equifax credit bureau. You get the valuable, needed insight to know which credit terms to offer in order to help you quickly proceed with origination and maintain a "safe harbor" as stated in the MLA Final Rule.
