

ProMax leads the industry in lead generation tools and offers the only complete and integrated solution for your dealership.

Harness the power of the internet and get more leads

ProLeads are real time prospects that have gone online and filled out a credit application looking to purchase a vehicle. We do the work generating the lead; you just tell us how many leads you would like per month.

- ✓ **Exclusive** to your dealership
- ✓ **Customizable** - you select the filters for distance and income
- ✓ **Scalable** - you determine the quantity and quality of the leads you would like to receive
- ✓ **We do the work** generating the lead, you just sell the car
